

ZOOM EXPECTATIONS

There are academic, social and wellbeing benefits for our students in using video conferencing software like ZOOM.

At Marsden Road Public School will believe in maintaining personal connections between teachers and students, monitoring student wellbeing, and the importance of continuation in teaching and learning at all times.

You can help!

PREPARATION

- Ensure your child's computer/iPad is charged.
- Provide a quiet place away from busy areas in the home. No bedrooms.
- Help your child choose clothing appropriate for learning, No revealing clothing.
- Remind them of appropriate behaviour, language and rules for sharing content.
- Assist your child to access the Zoom details in Google Classroom/email and to log in.
- **KEEP THE ZOOM MEETING LINK PRIVATE.**

DURING ZOOM

- Maintain a quiet learning environment free of interruptions.
- **NO** screenshots, screen recordings, or photos of the class ZOOM meetings by anybody.

AFTER ZOOM

- Make sure your child has left the meeting.
- If you have a question about learning from home don't use ZOOM to contact your child's teacher. Ask your child to send a message through Google Classroom or contact the school and we will support you.
